Overview

Time Spent at an overseas institution is stimulating and challenging academically as well as being a life enhancing opportunity. Pukyoung National University International Summer School(PKNU-ISS) offers the students opportunities to experience the Korean culture and inspiring academic environments. International students will have an opportunity to make new friends from all around the world as well as from PKNU.

Aside from the academic studies, they will also be able to understand new cultures by discussing and sharing ideas with both Korean students and other international students.
